⚡ The scenario that would deem this fee applicable is where you regularly deposit cash to an Auswide Bank account and subsequently transfer all, or the substantial portion of, the account balance to another financial institution.

▶ Based on the date the cheque is debited from your account.

⚡ A dishonour fee applies when there are insufficient 'clear' funds in the account to be debited - refer page 4.

⚡ After receiving your written request we will advise our requirements and confirm whether the cheque has been presented to your account. If the cheque has already been presented to your account we will be unable to proceed with your request.

⚡ When a sweep occurs the fee will be levied against the account's being swept from. If sweeps are required from more than one account to cover insufficient funds each account that is being swept from will attract the fee.

These symbols let you know that the fee will be DEBITED FROM YOUR ACCOUNT at:

Please note: if there are insufficient funds in your account at these times Auswide Bank will overdraw it until fees/charges are recovered from you.
