

26 August 2014

Big discounts now available on new home loans.

Great news for if you are buying a home! Wide Bay Australia has launched special discounted 'life of loan' variable interest rates!

Martin Barrett, Wide Bay's Managing Director, said for a limited time, new qualifying home loan customers will receive higher discounts on Freedom Package variable home loan rates.

"While our new home loan discounts vary according to the amount borrowed, some of new Wide Bay borrowers will receive up to a whopping 1.14% off our standard variable home loan rate," he said.

"Other fantastic benefits such as a fee free banking and insurance & credit card discounts are also on offer with the Freedom Package."

The special rates are available through Wide Bay branches or through mortgage brokers accredited to offer Wide Bay home loans.

"Buying a home is a major decision. Wide Bay Australia is your local choice that can help you enter the real estate market, upgrade to another home or purchase an investment property through this special offer. It's even be a great time to consider switching your existing home loan to Wide Bay."

To find out more about Wide Bay home loan offers or arrange an obligation fee consultation with a home lender, call into a Wide Bay branch or phone 1300 943 322.
