10,000 reasons why it pays to protect

Last Friday 15th June Auswide Bank staff at Pialba made a special phone call.

Susan Green, a loyal Auswide Bank customer since 1988, was invited into the Pialba branch to discuss her recent motor vehicle policy renewal. What she didn't know was when she arrived at that staff would congratulate her on the news that she'd just won \$10,000.

Between 16th April and 8th June anyone who took out or renewed an Allianz Motor, Landlord or Home & Contents policy through Auswide Bank went into the draw to win the \$10,000 prize.

Susan came to Auswide Bank nearly 20 years ago. "I was sick of other banks and took out the original policy 3 years ago whilst I was waiting in line to do my banking. I was listening to a staff member tell another client about insurance and I liked the way she went about it. I just felt that I could trust what she was saying and I asked her to do a quote for me"

Susan purchased the car insurance and has kept it with Allianz ever since. "Another friend of mine had a car accident and was with Allianz and they showed her so much compassion and were very friendly to her throughout her claim. Nothing was a problem, so that sealed it for me"

Susan works as a waitress at Ramada and also at Urangan High School as a cleaner and said that the \$10,000 would come in very handy. "I still cannot believe it, I'm going to have to go home before work and have a cup of tea to digest it all" She said that the staff at Auswide Bank in Hervey Bay have always made her feel very welcome and she loves how they all know her name and have a chat and treat her like a person, not a number.
