When your funds are renewed for the same fixed term as before, the applicable interest rate may be higher or lower than the interest rate that you received in the previous term due to the rates we offer changing from time to time.

Any withdrawal of part or all funds prior to maturity will be subject to 31 days' notice. If you are experiencing hardship and need to withdraw your funds on less than 31 days' notice, please contact us immediately. Alternatively at the end of the term, should you wish to modify your Farm Management Deposit, you may notify us 2 calendar days before but no later than 7 calendar days after the maturity date.
