Target Market

Target Market:

Class of consumers that comprise the target market for the product

Consumer

Description: This describes consumers in the target market

Objectives & Needs

A person who may require a credit facility to purchase residential property, access equity in a residential property or refinance an existing credit facility for investment purposes.

AB1512/0425

Target Market Determination – Home Loan (Investment) (V3.0)

Auswide Bank Ltd (Auswide Bank) ABN 40 087 652 060, AFSL and Australian Credit Licence 239686 is a wholly owned subsidiary of MyState Bank Limited ABN 89 067 729 195, part of MyState Limited ABN 26 133 623 962. "Issuer" and "Distributor"

Target Market Determination

Home Loan (Investment)

A person who will have financial capacity to pay fees, interest and, depending on the product option, repayments of principal as and when such amounts become payable and due and, depending on the product option, will have sufficient funds to benefit from the offset facility.

Product Description:

This describes the product

- A credit facility with the following key attributes:
 - the ability to use the credit to purchase residential property or refinance an existing credit facility;
 - . the consumer is only required to make payment of fees, interest and, depending on the product option, repayments;
 - the property must be used for investment purposes; •
 - depending on the product option, a fixed or variable rate; and •
 - depending on the product option, an offset facility; •
 - the ability to redraw, at Auswide Bank's discretion, repayments made in advance of minimum required repayments.

In general, it is only available to consumers that meet standard eligibility criteria.

Appropriateness Statement:

This explains why the product is consistent with the likely objectives, financial situation and needs of the target market The product is appropriate for the target market on the basis that the key attributes of the product listed in this determination directly address the objectives, financial situation and needs of consumers in the target market as described in this determination.

Distribution

Distribution Conditions:

The conditions and

of the product

Promotions restrictions on the distribution

Marketing and

This condition applies to marketing and promotional materials that describe the product

Condition 1

A distributor must only market and promote the product through:

- advertising on television, radio, the internet (including social media), billboards and physical banners, brochures and other marketing material available to the general public;
- in person recommendations to access marketing material . (including in branch and through broker and referrer networks); and
- any other issuer approved communication channels (including telephone, email and social media).

This condition is appropriate as the target market is wide.

Target Market Determination Home Loan (Investment)

Retail Product Distribution Conduct (other than Marketing and Promotions)

This condition applies to all conduct (other than marketing and promotions) such as issuing, arranging and providing disclosure material

Condition 2

A distributor must only engage in retail product distribution conduct (other than marketing and promotions) through:

- in person communications (including in branch, through mobile lenders, and through broker and referrer networks);
- through the issuer's and other approved third party digital platforms; and
- any other issuer approved communication channels (including telephone, email and social media).

This condition is appropriate as the target market is wide.

Condition 3

A distributor must only engage in retail product distribution conduct (other than marketing and promotions) if it has identified the key difference between:

- the product (including the specific product option requested by the consumer); and
- the other product options for the product and other separate credit products (including home loan (investment) and line of credit products) issued by the issuer.

This condition is appropriate as it requires a distributor to confirm that the consumer is in the target market.

Review Date:

Review Triggers:

The events and circumstances that would reasonably suggest the determination is no longer appropriate The first review, and each ongoing review, must be completed within each consecutive 12 month period from the Start Date.

The issuer, and any distributor of this product, must cease retail product distribution conduct in respect of this product when the issuer determines a material event or circumstance has occurred in relation to:

Material Complaints	material complaints (in number or significance) in relation to the terms of this product and / or the distribution conduct.
Financial Difficulty	a significant number of customers experiencing financial difficulty, of which the issuer becomes aware, related directly to the appropriateness of the loan, which the issuer determines may relate to the appropriateness of the determination.
Product Performance	evidence, as determined by the issuer, of the performance of the product, in practice, that may suggest that the product is not appropriate for the target market.
Distributor Feedback	reporting from distributors, or consistent feedback from distributors on the target market which suggests that the determination may no longer be appropriate.
