2 Target Market

Target Market:

Class of consumers that comprise the target market for the product

Consumer**Description:**

This describes consumers in the target market

Objectives & Needs

A not-for-profit organisation that may seek to hold an account for depositing funds, earning interest on those funds and for day-to-day transactions via eligible access methods.

Financial Situation

A not-for-profit organisation that will have financial capacity to perform day-to-day transactions using the account and to pay applicable transaction fees (as set out in the terms and conditions) as and when those amounts become payable and due.

Product Description:

This describes the product

An interest bearing transaction account for not-for-profit organisations with the following key attributes:

- the ability to deposit funds and to make day-to-day transactions; and
- the requirement to pay applicable transaction fees but no requirement to pay a monthly account keeping fee.

In general, it is only available to consumers that meet eligibility criteria such as a not for profit organisation that is incorporated or has a constitution.

Appropriateness Statement:

This explains why the product is consistent with the likely objectives, financial situation and needs of the target market

The product is appropriate for the target market on the basis that the key attributes of the product listed in this determination directly address the objectives, financial situation and needs of consumers in the target market as described in this determination.

3 Distribution

Distribution Conditions:

The conditions and restrictions on the distribution of the product

Marketing and Promotions

This condition applies to marketing and promotional materials that describe the product

Condition 1

A distributor must only market and promote the product through:

- approved advertising to clubs, community groups and not-for-profit organisations;
- in person recommendations to access marketing material (including in branch communications and through referrer networks); and
- any other issuer approved communication channels (including telephone, email and social media).

This condition is appropriate as the target market is clubs, community groups, and not-for-profit organisations.

Retail Product Distribution Conduct (other than Marketing and Promotions)

This condition applies to all conduct (other than marketing and promotions) such as issuing, arranging and providing disclosure material

Condition 2

A distributor must only engage in retail product distribution conduct (other than marketing and promotions) through:

- in person communications (including in branch and through referrer networks); and
- the issuer's and other approved third party digital platforms; and
- any other issuer approved communication channels (including telephone, email and social media).

This condition is appropriate as the issuer has distributed this product using these methods, with limited risk to consumers.

Condition 3

A distributor must only engage in retail product distribution conduct (other than marketing and promotions) if it has identified the key difference between:

- the product; and
- other deposit products issued by the issuer.

This condition is appropriate as it requires a distributor to confirm that the consumer is in the target market.

Condition 4

A distributor must only engage in retail product distribution conduct (other than marketing and promotions) if the consumer has provided evidence that the account will be used to operate a club, community group, or not-for-profit organisation.

This condition is appropriate as it requires a distributor to confirm that the consumer is in the target market.
