## Auswide Bank's investment in technology delivers new Internet Banking & Mobile App.

- **Auswide Bank partners with Sandstone Technology to deliver new Internet Banking & Mobile App experience.**

Auswide Bank has grown its partnership with Sandstone Technology to deploy its new and exciting Internet Banking and Mobile App solutions. The program was designed to ensure Auswide Bank customers were provided with a market leading card management module together with a number of advanced security features which protects the customer while keeping the experience simple. These upgrades are another example of putting our customers at the heart of everything we do.

There have been various other enhancements such as advanced transaction search options, comprehensive information retrieval, and the ability to quickly make a wide range of user preference changes directly from the Mobile App.

Martin Barrett, Auswide Bank's CEO stated, "Auswide Bank has continued to focus on delivering the best digital experience for our customers. The market leading card management and personalisation features available to our customers make a big difference to the customer experience."

Julian Blackley, Sandstone's CEO added, "Our relationship with Auswide Bank goes back many years and we are very pleased to be partnering with the Auswide Bank team as they continue to look for ways to offer a superior digital experience to their customer base. We worked closely with the team at Auswide Bank to ensure we were constantly focused on delivering the functions and features that would be of most value to Auswide Bank's growing customer base."

Mr Barrett said "Auswide Bank's new Internet Banking and Mobile App functionality has received positive feedback from customers."
